# EOY Audit & Account Closing

As 2022 comes to an end, it's time to gather your books and prepare your Company Financials for submission. All registered company in Thailand is required by law to have their Accounts Audited by a certified auditor and file it to the Ministry of Commerce and Revenue Department **before May 30, 2023.**

The average time to get your accounts audited is approximately 3 weeks. **Have you started the process yet?**

## Why XBooks

- ③ Certified and Licensed Auditor
- ③ We are business owners too and we understand the challenges businesses faced and we're here to help
- ③ We love to keep things simple.
- Our no-frills, straightforward approach is one reason why many of our customers come back to us.

**Speak with one of our friendly (English/ Thai) advisor today!**
